DEDICATION

Hall Summit High School is a wonderful place to work and it has been a joy for me to serve as your secretary.

I finished high school at Hall Summit and during this time had two years of typing and shorthand. Later, Mrs. Marston taught adult night classes in typing and I attended these for over a year.

I started substituting in the lunchroom in the early 1970's. In 1974 I worked as a teachers' aide and also did some work in the office. In 1975, the job of Secretary was funded and with a recommendation from Mrs. Marston and the approval of Mr. Warner and Womack, I was hired for the job.

Hall Summit School will always have a special place in my heart. The faculty, staff and students have been wonderful to me and I love each one of you.

Mrs. Gilba Scott-Sec.
